About Our Company

Since 1976, Amarin Corporations PCL has played an important role in the literary culture of Thailand. We got our start with the home-design lifestyle magazine called Baan Lae Suan (in English: Home and Garden), which led to great commercial growth. By 1993, we proudly established Naiin, which would go on to become one of the most popular bookstore chains in Thailand.

Currently, our list of 21 imprints (and growing!) publish over 500 titles each year. We are always looking to expand into new segments of the publishing business and other innovations. Guided by our passion for literature, we strive to provide the #1 reading experience to readers in Thailand.

The pages that follow feature Amarin's bestsellers and Thailand's most popular titles by independent authors – offering the best reading experience while representing all genres and all the best flavors of Thai literature.

Detective Tavaykarn, who can see spirits, investigates brutal murders where victims' faces and eyes are sewn shut. Initially seen as simple crimes, Tavaykarn's supernatural insight uncovers a link to an ancient ritual. The absence of the victims' spirits points to dark magic. Tavaykarn discovers that Nai Samai, a dark sorcerer, is behind the ritualistic murders. As he digs deeper, Tavaykarn becomes the next target, turning a routine case into a desperate fight for survival against both human and supernatural forces.

Prapt

(Chairat Pipitpattanaprap)

 **Genre** Crime, Mystery, Thriller, BL

One of the most significant and prolific authors of Thailand, known for his thoroughly crafted crime and thriller masterpieces.

Growing up with Thai mystery literature, Prapt (ปรปต์) discovered his dream to become a writer since his childhood. The early works of Prapt were published on various websites. A total of his four online titles were published. The sudden shifts of market trend persuaded him to pursue a different style for platforms.

Nearly a decade later, driven by the desire to have his works published as books once again, he decided to submit his work, **'Deafening Chaos'**, for the Naiin Award competition in 2014 for the first time. After winning the grand prize and several additional awards, he made it to the shortlist for the S.E.A. Write Award in 2015.

His magnum opus, **'Deafening Chaos'**, impacted Thai pop culture in a large scale never seen before. It was adapted into an accommodated TV series and it is still considered one of the best and famous Thai novel of all time.

Prapt's success encouraged him to take full-time author as a profession. He is known for his proficient and versatile writing, covering multiple genres such as BL, Fantasy and Noir. His active engagement in lectures, seminars and book fairs help developing younger generations of writers to world-class standard.

Unlock the power of your mind to create the life you desire.

‘The Top Secret’ expands on the law of attraction from **‘The Secret’** to address common misunderstandings. It explains the concept through psychology and natural science. The book focuses on the workings of the mind—thoughts, subconscious, fears, and beliefs—to create a ‘feeling image’. It suggests that by controlling the mind and visualizing the success we desire, we can make it a reality. This deeper exploration helps readers understand how to harness the power of their thoughts to achieve their goals.
